AND A SURE CURE FOR ALL MEROURIAL DISEASES. It is a conveniently arranged Band, containing a modicated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the skin, effecting in escryinstance a perfect cure, and restores the parts afflicted to a beatthy consition. This band is also a most powerful arti-Marcuristangent, and will entirely relieve the system from the permicious effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long starding.
